

JAKS STABLES 10 YEAR ANNIVERSARY

WITH DONATIONS GOING TO THE SAMSON PROJECT

About The Samson Project:

THE SAMSON PROJECT is dedicated to providing a healing environment for young adults who have survived childhood trauma through the transformative power of equine-assisted coaching.

We create a safe, compassionate space where individuals can find strength, resilience, and restoration through meaningful interactions with horses. Our services include programs for anxiety, depression, riding specific anxiety, ptsd, and more.

For more details please visit our website: thesamsonproject.org

Proceeds benefit The Samson Project, a nonprofit dedicated to healing trauma through the power of horses.
